Consent to processing of personal data (for ACES stakeholders who have expressed an interest)

I consent to processing of my personal data so that ACES (ACES, Accounting for Circular Economy and Sustainability – Innovative training solutions in higher education facilitating accounting for the circular economy, ERASMUS +) project partners can approach me when they share the results and further opportunities provided by the project.

I have read the ACES privacy notice for stakeholders who have expressed an interest. I understand that giving this consent is voluntary. I am aware that I can withdraw my consent anytime without giving any reason. If I withdraw my consent, all data processing operations that were based on consent and took place before the withdrawal of consent remain lawful.

This consent can be withdrawn By sending an e-mail to ACES project manager in Haaga-Helia. Information about this person can be found on the ACES website "Who we are". https://www.erasmusaces.eu/contact/. e-mail is in the form etunimi.sukunimi@haaga-helia.fi

I consent to processing of my personal data in connection with the following processing activities:

- Allows sending an information about and an invitation to participate in ACES project stakeholder events
- Allows sending an information on the results of the ACES project
- Allows inviting into deeper cooperation with the ACES project e.g. for example, a company case on the learning material produced by ACES
- Allows sending out surveys to validate the interest and quality of ACES results
- Anonymised data will be used to report on the success of the ACES project activities to the authority funding the project: Finnish National Agency for Education (EDUFI) and European Education and Culture Executive Agency (EACEA)
- Data containing personal information is archived securely for a period of time specified by the funder.
