Consent to processing of personal data (regarding stakeholders who have enrolled and/or participated in ACES events)

I consent to processing of my personal data so that ACES (ACES, Accounting for Circular Economy and Sustainability – Innovative training solutions in higher education facilitating accounting for the circular economy, ERASMUS +) project partners can approach me when they share the results and further opportunities provided by the project.

I have read the ACES privacy notice for stakeholders who have enrolled and/or participated in ACES events. I understand that giving this consent is voluntary. I am aware that I can withdraw my consent anytime without giving any reason. If I withdraw my consent, all data processing operations that were based on consent and took place before the withdrawal of consent remain lawful.

This consent can be withdrawn By sending an e-mail to ACES project manager in Haaga-Helia. Information about this person can be found on the ACES website “Who we are”.
<https://www.erasmusaces.eu/contact/>. e-mail is in the form etunimi.sukunimi@haaga-helia.fi

I consent to processing of my personal data in connection with the following processing activities and accept the principles below:

- I give my permission to send me information about the ACES event I have enrolled/registered
- I give my permission to send me the follow up questionnaires.
- I give my permission to send me surveys to validate the interest and quality of ACES results
- I am aware that photos, videos, etc. taken during the event can also be used to communicate about the event. Individuals who may be identified in the images will be asked for permission separately.
- I am also aware that the remarks and contribution I make during the event may be recorded or photographed for reporting (input during the event).

Project is cco-funded by the European Union. Neither the European Union nor the European Education and Culture Executive Agency (EACEA) can be held responsible for the statements made in the document. More information about the Erasmus+ programme: www.oph.fi/erasmusplus
